"Nothing But Love for Our Veterans"

Local merchants continue to celebrate our Hometown Heroes

Three local businesses are showing their appreciation for Anson County Veterans by sponsoring discounts, drawings for free merchandise and for free services.

- 5 Star Seafood and Country Cooking Restaurant, located at 6430 Highway 52 South in Morven, is celebrating veterans every Wednesday in the month of February with lunch specials at \$3.99 each served all day.
- 5 Star Fresh Seafood Market, located at 232 East Main Street in Morven, is giving away to one veteran a fresh case (25lbs) of croaker fish. The contest runs from Wednesday, February 8th until Saturday, February 25th.

To enter the free giveaway, all veterans have to do is stop in and fill out registration form during business hours. Veterans may sign up at either location for the chance to win.

- Huntley Chevrolet, located at 1425 US Highway 74 West in Wadesboro, is celebrating Anson County Veterans by providing a chance to win a free lube, oil & filter change during the month of February. The contest runs from February 8th until February 25th. To enter to win, veterans must stop by the sales office to register.

Anson County Veteran Services Officer Ted Ward encourages all local businesses to show our local veterans appreciation year 'round. If interested please contact him at 704-694-4418 or tward@co.anson.nc.us.

TV Window Sales Promotion

Some of you are old enough to remember when Sears had very frequent sales - especially on all kinds of appliances and television sets. The above picture is of one of those window sale signs that I did for many of the Sears stores.

This particular sign was at the Lancaster, SC store in 1977 - at a time when television sets and all kinds of appliances were becoming available in a more plentiful supply. Even extras were more plentiful, and you could buy one without the extras - even without the "kitchen sink," as was the case during the "World War II years."

Not too far back you could only get black and white television sets, so you can understand why all the "promotion push" for color television sets. Oh yes, this was still an era of time when many of the sets continued to use tubes mostly. When we got our first television set it had only tubes (about 24 tubes - none cheap, except a 5U4). It was expensive to maintain (power and service - all of which is another world now...my service calls to repair tv's back then were \$4!). Thanks for sharing a few "historic memories!!" Ed

SPCC's Free College Day & FAFSA Day this Saturday

Ever wondered what classes are like at a community college? Ever wanted to learn how to kayak?

Huh? What do those two things have to do with each other? Come to South Piedmont Community College's Free College Day from 9 a.m. to 3 p.m., Saturday, February 18, on the Old Charlotte Highway Campus and find out. It will be a chance to experience college for free and learn a little something in the process. The schedule includes classes that are serious as well as some that are just plain fun, like the kayak class. With more than 70 classes including the 13 and up, there should be something to suit almost everyone's interests or pique their curiosity.

There will be six sessions, beginning on the hour at 9 a.m. For a complete schedule and to register in advance, go to www.spcc.edu and click on the "Free College Day" button on the home page. Each class has a seating limit, so register as soon as possible to guarantee you get in the classes you want.

Sign up for one class, or sign up for six and stay all day. The Human Services Club will be selling food at a nominal cost and Early Childhood Education faculty will provide free children's classes. Seats are limited for the children's classes.

Additionally, FAFSA Day will be held on the same day from 9 a.m. until noon. Students attending or planning to attend any college are welcome to drop by and get help with their Free Application for Federal Student Aid. Visit www.spcc.edu to learn what documents are needed before you arrive. For information about FAFSA Day, contact SPCC Financial Aid Director John Ratliff at 704-272-5325 or jratliff@spcc.edu.

Anson New Tech Hosting Wellness Fair

In a release from Anson New Tech High School: On Saturday, February 25 Anson New Technology High School will be hosting the Anson Wellness Fair, an event intended to raise awareness about all aspects of health. It will be held at Anson New Technology High School, located at 118 West Ashe Street, from 9 a.m. to 2 p.m. The students hope to advance the county toward a healthier lifestyle.

Students will host the fair with health professionals available to answer questions and give assistance. Twenty health topics will be presented, including mental health, parenting, healthy movements, and homeopathic medicine. Mobile screening units will be available, as well as various takeaways for each topic.

We encourage all members of the community to attend in order to improve their health and the health of their family and friends. We hope to see you there on February 25th. Please contact Anson New Tech at 704-694-7447 with any questions.

Join us to lend a healthy hand to Anson County, to North Carolina, and to the nation.

The family of the late Johnnie Liles Hubbard wishes to thank you for all the acts of kindness shown to us during the illness and passing of our dear mother. Your warm words of comfort, cards, visits, food, gifts, and, most of all, your prayers during this difficult time. May God continue to bless all of you. Love to you all. The Family
