

15 \$2,500 Scholarships Available to High School Seniors

The annual Michael A. DeMayo Scholarship program is an exciting opportunity for local high school seniors to have a chance to win a \$2,500 scholarship toward their college education. The firm will be awarding a total of \$37,500 in college scholarships to 15 high school seniors who reside and attend schools in counties served by the firm, including Anson County.

"Our firm has chosen this investment in our youth so that all of us together can help prevent underage drinking and driving," DeMayo said. "We are proud to make a difference in our community by awarding over \$525,000 in college scholarships to deserving high school seniors in North and South Carolina since 2003."

To qualify, students must have applied for full-time enrollment at a four-year university or college and must complete and return a scholarship application to the DeMayo Law Offices by March 26, 2018. Scholarships will be awarded based on the student's video PSA presentation on the dangers of underage drinking and driving, as well as their application, SAT scores, transcripts and letters of recommendation. Please visit www.demayolaw.com/scholarship-program for program details.
