Letter to the Editor Meadowview Terrace Assisted Living Gives Thanks

Dear Editor,

We at Meadowview Terrace would like to thank County Emergency Services Director Rodney Diggs and Gaye Lookabill, Administrator for Ambassador Health and Rehab for helping us get through February's snow storm.

Mr. Diggs kept checking on us all through the storm, making sure we had power. He even offered to help transport our equipment if we had to evacuate the building. When the decision was made to stop all traffic, he made arrangements to get us help if we lost power and had to stay in the building.

We want to thank Mrs. Lookabill for opening up the annex for us if we had lost power before the roads were closed, and for coming to Meadowview to check on us. Thank God we never lost power.

We also want to thank all the employees who were "snow bound" at Meadowview. They all pulled together and kept the residents safe and happy. They even made snow cream for everyone.

It's wonderful living in a small town and county. Everyone seems to know everyone and is always willing to help no matter how deep the snow gets. Again, we thank each of you and pray the Lord will bless you all.

Thank you, Teresa Pope
