Governor Perdue Proclaimed March 29 Vietnam Veterans Day

North Carolina Governor Bev Perdue recently proclaimed March 29th Vietnam Veterans Day. Here is her proclamation:
WHEREAS, the United States of America was involved in a long military conflict known as the Vietnam War from 1961-1975; and WHEREAS, more than 3,009,000 Americans served in Southeast Asia, with more than 58,000 American lives lost and more than 304,000 Americans wounded defending our nation; and WHEREAS, there are 1,609 North Carolinians listed on the Vietnam Memorial in Washington, D.C.; and WHEREAS, there are 43 North Carolinians still listed as "Missing in Action" in Southeast Asia; and WHEREAS, returning Vietnam Veterans were often denied the recognition and respect due to those who serve our nation in war, protecting the freedoms we hold dear; and WHEREAS, the United States of America has set aside March 29th as Welcome Home Vietnam Veterans Day, and the State of North Carolina joins our entire nation to remember the dedicated men and women who sacrificed their lives defending our nation during the Vietnam conflict, to recognize the prisoners of war, as well as those still missing in action, and to honor all Vietnam Veterans for their courage during our nation's time of need; THEREFORE, I, BEVERLY EAVES PERDUE, Governor of the State of North Carolina, do hereby proclaim March 29, 2012, as "VIETNAM VETERANS DAY" in North Carolina and encourage all citizens, both in public ceremonies and in private thoughts and prayers, to gratefully acknowledge our Vietnam Veterans.

Mr. Steve Goodwin is now pain free!

My name is Steve Goodwin and I want to share my story about chiropractic care and how it has helped me.

I was suffering from neck, shoulder and arm pain. The pain had gotten so bad that I could not sleep at night. I could not lay down flat in the bed from the pain. I kept thinking it would get better, but it did not, so I decided to try the chiropractor. I got his number out of the yellow pages of the local phone book.

I had no mobility with my shoulder and arm pain, my neck was stiff...and after my first visit I could tell a major improvement! I went for about a month and now my neck, arm and shoulder pain is gone. The treatment was easy to do, the atmosphere in the office was great, and Dr. Dial was great. His staff was friendly and helpful.

I would recommend Wadesboro Chiropractic and Dr. Dial to anybody having any pain.
