Notice from the Anson County Board of Education

As the Anson County Board of Education works to recruit and hire a new superintendent, board members would like direct input from interested members of the community. Please take some time to access and complete the community survey through the link listed below. Please note that the survey must be completed in a single online session, as partial responses cannot be saved for later completion. Also, please note that the survey may only be completed once from a single IP address/computer. The deadline for completing the survey is April 16, 2013.

Hard copies of the community survey will be available at the Anson County Schools' Central Office, the Anson County Chamber of Commerce, the Hampton B. Allen Library and the Grace Senior Center.

The community survey will help shape the search and decision-making processes. The Board encourages all stakeholders to assist it in defining the qualities and characteristics of an exceptional leader for the Anson County Schools. Thank you for sharing your thoughts and opinions.
