

Sammy Miller and the Congregation

The Cheraw Arts Commission presents Sammy Miller and the Congregation in May. The group will perform at the Theatre on the Green on Friday, May 12 at 7 p.m. Their mission is to Put the Generosity Back into Jazz and Bring Art Back to the People. "This is feel-good party jazz, harking back to the '20s and '30s. It's brassy, stomp your feet and dance music, and it's got the raw up-

lifting vibe of a New Orleans street parade" - The SF Weekly
 A native of Los Angeles, Grammy nominated drummer Sammy Miller has become known for his unique maturity and relentless focus on making music that "feels good" as a drummer, singer and bandleader. Upon completing his Master's at The Juilliard School, Sammy formed his ensemble, The Congregation. As a band they are focused on sharing the power of community through their music—joyful jazz.

While independently the band members have performed/recorded with notable artists including Wynton Marsalis, O.A.R, Iron and Wine, Joshua Redman, Lee Fields, Jason Moran at venues including the White House, Lincoln Center, and the Hollywood Bowl they have opted to stick together to create globally conscious music with the intention to spread joy throughout the world.

Tickets can be purchased at the Cheraw Community Center. (\$10/CAC members and \$12/non-members) Contact the Cheraw Arts Commission at 843-537-8420 x 12 for additional information.

Are all symptoms of Peripheral Arterial Disease (PAD)

One in every 20 Americans over the age of 50 suffers from PAD - a condition caused by plaque or fatty deposits in the arteries that limit blood flow to the legs and feet. This puts them at greater risk for heart attack, stroke and limb loss.
