Anson Middle School Students Inducted into the National Junior Honor Society

On Tuesday, April 3 students and their loved ones began arriving at Anson Middle School around 5 p.m. anticipating a memorable ceremony for the induction into the National Junior Honor Society. As parents, grandparents, friends and AMS faculty and staff filled the gymnasium they were seated and enjoyed songs that were dedicated to the parents from the students. At 7 p.m. sharp the song "The World's Greatest" began to play as students were led into the gym by Natacha Deberry, NJHS adviser. The new inductees were followed by the current eighth grade members, who were there to congratulate as well as support their successors.

Dr. Lisa Bracey-Cash, owner and physician at Wadesboro Family Medicine, the guest speaker for the evening, and she shared some very inspiring words. Dr. Bracey-Cash stressed to the students that "Smart is as smart does," and challenged the students to always be smart despite what obstacles they may be faced with.

Local Businesses Celebrate Veterans

In a release from Ted Ward, Anson County Veteran Services Officer: I would like to thank two of our local businesses for acknowledging our local veterans during the months of February and March. Veterans were able to sign up for a free raffle at both Wadesboro Motors (formerly Huntley Chevrolet) for a chance to receive a lube and oil change and 5 Star Seafood in Morven for a chance to win a case of fresh croakers.

The drawings were both held on March 31. In addition to the free case of fish, 5 Star Seafood also gave a daily discount to all veterans at their restaurant. This has now become a permanent part of their menu throughout the year.

Many veterans and their families stopped in to enjoy the Veterans Appreciation Day celebration that was held on April 7th at the restaurant. Free meals were served to all veterans and their guests during the celebration, and the balloon bounce was on hand for the children courtesy of Holla.

Mr Bernard Edwards and Lisa, owners of 5 Star Seafood said, "We at 5 Star Seafood would like to thank all the veterans who came out on April 7th to participate in our Veterans Appreciation Day. We enjoyed being able to fellowship with such a wonderful group, all of whom we should consider heroes. We would also like to say to all veterans thank you and may God bless you all."

VOTE DALE NELSON

NC House District 55

Bloom where you are planted!

WHO: Dale Nelson is a Christian, an American, and a Patriot who wants to serve the people of Anson and Union Counties, the NC House District 55. Community leader, Farmer, Businessman, US Navy Viet Nam Combat Veteran, Board member of HOLLAI, Hands for H.O.P.E, Thread Trails, Tourism and Development Authority, Anson County Economic Development Corporation, Golden Leaf, College Graduate: Northern State University, Mason, American Legion, Veteran of Foreign Wars, Loyal Friend, Son, Father, Brother and Good hard working Neighbor.

WHY: I am running for the North Carolina House because I must!

My grandmother always said, "Don't say anything bad about someone unless you are willing to help change what you don't like!" So I consider it my duty to use my experiences, training, commitment and knowledge from the front lines of war and peace, industry and farming as well as faith and challenge to be the eyes, ears, and voice for my many friends, neighbors and co-workers across Anson and Union Counties.

HOW: Jobs for workers to achieve their maximum opportunity and earnings potential, and the pride of self sustainability.

Opportunity Partnerships that create open, transparent, accountable resource bridges between sectors (private, non-profit, public, education and governmental) in North Carolina for the people to easily find, create, and transition to future jobs, and self worth.

Business/Farming Rights are best achieved when government offers entrepreneurs, be they start-up, craft persons, small farms or corporate giants, the freedom and guidance needed for ethical business practices to flourish.

Security, not only physical, but emotionally and socially secure. Both entrepreneurs and workers create the maximum secure environment for productivity, profitability and progress. Work places have to be satisfying, profitable, and secure whether you have a small garden or are a giant corporation.

I am Dale Nelson and I am asking for your vote, support, and prayers so that we as a united people of District 55 can make not only our District but North Carolina #1.
