

A Camp About Ultimate Success, Diabetes and Obesity

In a release from Pathway to Peace Ministries: The health statistics are real and still very sobering. In the most technologically advanced country in the world, the incidence of type 2 diabetes and obesity among the children of the US is still growing. Research has also revealed that many children in this generation may go to an early grave unless parents, churches, schools and communities wake up and take action.

Since 2007 Pathway to Peace Ministries and Holla have come together to take action in addressing these major problems of childhood obesity and diabetes through its Youth Force Bible and Health Camp. The camp is very inspiring and exciting. Every summer the Youth Force Bible and Health Camp serves plant-based nutritious and delicious meals. Research supports that this type of diet along with an active lifestyle will reverse diabetes and obesity as well as improve behavior and grades.

The next Youth Force Bible and Health Summer Camp will be for 2 weeks at the Holla Center in Morven, from June 15 to 26. The camp is open to kids aged 5 to 13, from 9 a.m. to 1 p.m. daily. You can register your children on the first day of camp. The camp is free, although donations are appreciated.

Obituaries ... continued from page 3

Tuesday, June 9, 2015, at First Baptist Church in Marshville with Dr. Doug Danner and Rev. Frank Crump officiating.

Paula was born on December 7, 1952, in Anson County, the only child of Bradley Wilson Pope and Pauline Maree Pope. She was a 1971 graduate of Bowman High School and a 1974 graduate of the Baptist Hospital School of Nursing in Winston Salem, receiving her degree as a registered nurse. She later received her Bachelors of Science in Health Administration in 2000 and a Master's Degree in Healthcare Management in 2012 both from Columbia Southern University.

Paula's 40 year nursing career began as an Emergency Room Nurse at Anson Community Hospital and she remained there until her retirement, seeing the hospital through many changes and ultimately when the hospital merged with Carolinas Health Care. At the time of her retirement she was Chief Nurse Executive. She was revered by many nurses who worked with her at Anson County Hospital and many nurses started their careers under her guidance and influence. She certainly touched many lives through her nursing and administrative roles, not only patients but her colleagues, as well.

Surviving are her husband of 37 years, Teddy Eugene Stegall of the home; her children, Tara Stegall Shumard (Jeff) of Monroe and Ted Stegall, Jr. (Nicole) of Marshville; her grandchildren, Jackson and Grayson Shumard and "Peanut Stegall" whose ar-

rival she was anxiously awaiting with great excitement; her parents, Brad and Pauline Pope of Wadesboro; her life-long friend Anita Lineberry Sparks (Lewis) and son Adam, all of Marshville; and her many relatives in the Pope, Maree and Stegall families.

Paula's family wishes to express their sincere appreciation to the staff of Carolinas Medical Center Union and to Dr. Suresh for their excellent and loving care for her and our family during her stay there.
