On Saturday June 26th Harvest Ministries Outreach Center's Streetreach program visited 3 communities, offering free bags of groceries, free hygiene products, free bottled water, free clothing, free ice cream, and more to each neighborhood. Different Ministry areas from HMOCC all played a roll in the event including Powerhouse Kidz, Fusion Youth, Legs Womens Ministry, Man 2 Man Men's Ministry and others.

Oak Hill Apartments, Myrtlewood Apartments, and the Orchard Street area were the recipients of the "Summer Lovin" event. Lead Pastor Steve Adams

All in all 100 bags of groceries were distributed, over 200 bottles of water given away, 100 bags of hygiene products, 100 goody bags for children, and over 100 ice creams. Pastor Adams concluded, "While this day is about giving to these communities, we are receiving the greatest

## USDA Reminds Anson County Producers to File Adjusted Gross Income Consent Forms with IRS

Anson County USDA Farm Service Agency (FSA) Acting Executive Director Tina Atkins reminds Anson County producers that to receive USDA program payments, each recipient must have an Adjusted Gross Income (AGI) verification consent form on file with the Internal Revenue Service (IRS). The consent form authorizes the IRS to verify a recipient's AGI eligibility requirements for USDA programs. The form became a requirement for payment eligibility beginning with the 2009 crop year. However, too many program participants have not complied with this requirement.

"Nationwide, FSA is missing the required consent forms from some producers for 2009 and 2010," said CED Atkins. "To avoid an interruption of payments, Anson County producers need to check their business records and submit these forms to the IRS immediately, she said.

IRS requires written consent from all individuals or legal entities before AGI verification can be provided to USDA. Individuals must submit form CCC-927. Legal entities must submit form CCC-928. Without these forms on file, producers will not receive USDA program payments.

Atkins stated that consent forms are required for payments received from the Natural Resources Conservation Service (NRCS) as well as those received through FSA. Completed forms must be returned to the IRS.

For more information on AGI eligibility requirements or the AGI verification process, contact the Anson County FSA office at 704-694-3516, extension 2.
