

Men For A Change 2016 In Support Of The ANSON COUNTY DOMESTIC VIOLENCE AND RAPE CRISIS CENTER

We join our hearts and voices this Father's Day - To stand united and make this Pledge. We hope you will join us in this Pledge and Daily Commitment.

"I pledge to seek equality and respect in all my relationships with women. I commit to lead by example, to be a role model to other men and a mentor to our younger generations, to create violence-free futures in our community for women and children."

Remembering.....

By Ed McBride

Lot's Going On...

A lot is "going on" in the month of February - Ground Hog Day, Lincoln's Birthday, Valentine's Day, George Washington's Birthday, Henry W. Longfellow's Birthday - all this plus time out to eat!! Can you imagine trying to "outfigure" the "ground hog" for our weather?? Allen says yes!! Oh well!!

See if you can figure this one. This was a new Chevrolet pickup that I lettered on Thursday, February 19, 1959. I was using my Polaroid camera then, and, as I remember, color was not available at that time. So, black and white film was it!

Some of you remember the Carl's Food Center store location, perhaps many do not. It was at the intersection of Chesterfield and Camden Roads, where Wadesboro IGA is located now. Carl's made deliveries, and, I remember, had not gone into "self service." Anyway, that was 52 years ago, and so many business changes. As I look around there are few things that have not changed.

Thanks for remembering with us!

Ed

Anson County FSA Acreage Reporting Dates for 2016

Anson County USDA Farm Service Agency (FSA) Executive Director Jennifer Almond announced that producers who file accurate and timely reports for all crops and land uses, including failed acreage can prevent the potential loss of FSA program benefits. Please pay close attention to the acreage reporting dates below for 2016.

"In order to comply with FSA program eligibility requirements, all producers are encouraged to visit the Anson County FSA office to file an accurate crop certification report by the applicable deadline," said Almond.

July 15, 2016, is the last date to report corn, cotton, grain sorghum, and soybeans. The following exceptions apply to the above acreage reporting date:

- If the crop has not been planted by the above acreage reporting date, then the acreage must be reported no later than 15 calendar days after planting is completed.
- If a producer acquires additional acreage after the above acreage reporting date, then the acreage must be reported no later than 30 calendar days after purchase or acquiring the lease. Appropriate documentation must be provided to the county office.
- If a perennial forage crop is reported with the intended use of "cover only," "green manure," "left standing," or "seed" then the acreage must be reported by July 15th.

According to Almond, Noninsured Crop Disaster Assistance Program (NAP) policy holders should note that the acreage reporting date for NAP covered crops is the earlier of the dates listed above or 15 calendar days before grazing or harvesting of the crop begins.

For questions regarding crop certification and crop loss reports, please contact the Anson County FSA office at 704-694-3516, extension 2.
