Thirsty for Some Ice Cold Lemonade?

Come to the Kids Expo August 10 for lemonade and lots more

Young ladies, Alivia Williams and Emma Gulledge, have decided to join in the Anson County Kids Expo and sell lemonade for \$2 a cup for their cousin Casey Tucker who has cystic fibrosis and will undergo a lung transplant in the near future. Their business is called Lemonade for KK. Casey is like a aunt to these girls and has been called KK by them for years.

All of the proceeds these girls make will go toward Casey's living expenses during the time of her transplant. Casey will be evaluated and approved to be on the transplant list first, then once on the transplant list she will be required to move to Durham to await the call. This could be as short as 2 months or as long as 2 years. Emma and Alivia, along with the rest of the family, hope to raise some money this way for Casey to help with these expenses, as well as have some other fundraisers in the next few months.

The Anson County Kids Expo will be held on Saturday, August 10, from 10 a.m. to 1 p.m. It is the Chamber of Commerce's new event that focuses on the next generation of entrepreneurs and business owners. The event offers kids (grades K-12) an opportunity to create, develop and market a product or service that they are passionate about.

Strictly for kids only, adults are not allowed to help sell or market the child's product or service. The event is not only a showcase for the children, but an opportunity to understand the elements of owning one's own business. The kid vendors will learn and use real life skills such as math, communication and creative thinking. Development and marketing of their product or service will have an impact on their sales at the event and offer them some insight into what it takes to own their own business.

Browse, shop and stay for the awards presentation as the Chamber acknowledges Most Original Business Idea, Highest Business Potential and Best Presentation/Creativity in each age group.

Winners will receive prizes, as well as the opportunity to promote their business through the Anson County Chamber.

This event will be held on East Wade Street, between Washington Street and Lee Avenue. If your child will need help with set-up materials such as a tent, table, chairs - please contact the Chamber office. They want every child interested in participating to be afforded this opportunity. Please let them know how they can help so your child can apply!

Applications will be vetted through a committee of Anson County Chamber business members. Approvals will be emailed.
