The course was presented to us in a timely manner. I have enjoyed it and have learned a lot from the class. I am a retiree and have worked at the same place for over 40 years and was amazed to see how much computers have taken over. When I saw the ad in the paper I knew I had to take it to keep up with the world today. I look forward to using what I've learned."

### Brown Bag Book Club Meeting is August 18

The Brown Bag Book Club will meet on Monday, August 18 at 12 noon in the Pritchett Room at Hampton B Allen Library for a covered dish lunch and author talk. If at all possible, the library would like for those attending to bring a dish, a friend and enjoy the fellowship provided.

R. McKenzie Horne and her mother Dr. Amy Jarman Horne have written a book, *Runaway Turkeyette*, and they will talk about it and also have some books for sale. This project is more than a story of a child (McKenzie) publishing a book. According to her mother, "This is a story about a child with an indomitable spirit and will to survive!" This is McKenzie and Amy's first children's book after 9 months of preparation. It is a tribute to the folks who saved McKenzie's life. As Amy says on the Dedication Page of the 24-page, hardbound book, their "Cup runneth over with Praise and Thanksgiving!"

Please make plans to attend as we feel you will receive a special blessing on this day. If you have any questions or need additional information please call the library at 704-694-5177.
