

## Chamber of Commerce, Rotary Club Asking Your Help to Donate School Supplies

In a release from Lynn Edwards of the Chamber of Commerce: The Anson County Chamber of Commerce along with the Wadesboro Rotary Club will be collecting school supplies throughout the month of August and we need your help! There are two ways to help:

**1) Paper** - college and wide ruled, #2 pencils, pens, crayons and markers are just a few of the supplies the children of Anson will need when schools start back in just a few weeks. We need your help to make sure that all of our children have the basic necessities to achieve their highest level of learning!

Please join us in our efforts by purchasing school supplies and bring them to the Chamber during the month of August.

We will also accept monetary donations and purchase the items for you if you would like. If your place of business has any items with your logo on it we can use those as well. You can mail your monetary donation to Anson County Chamber, P.O. Box 305, Wadesboro, NC 28170. Please mark it for school supplies. Keep in mind that NC Tax Free week is August 2-4, so you can save a little money while helping our children!

We encourage all citizens, businesses and officials to support our students as they head back to school very soon. Not having the essential tools for learning should not be a problem for any student, no matter what their economic situation is. After all, they are our future! Let's give them a great start to the 2014-2015 school year! Donations would be dropped off at the Chamber or given to any Wadesboro Rotary.

**2) There is also another way you can help Anson County Schools.** "Box Tops for Education" earns money for schools. Please remember to cut off all box tops on any of the participating brands from the grocery store and turn them in to an elementary school of your choice. Box tops earn cash for our schools to use on essential items for our children.

The box tops can be collected by all of us and turned in even if you don't have any children or grandchildren in our school system. So, cut off those box tops and turn them in! We will be glad to collect those here at the Chamber as well! For more information call us at 704-694-4181.

Thank you in advance for your continued support of the Chamber with our efforts to keep our Mission Statement constantly working for the people of Anson County and surrounding areas!

### Ag T-Shirts are Available

Celebrate agriculture! And show your pride in Anson County's agricultural heritage by wearing a t-shirt that says so. Celebrating Anson County Agriculture t-shirts have arrived at the Cooperative Extension Center and are now available.

Safety green shirts with gray print are \$8 for adult sizes and \$6 for youth sizes. Sizes are available up to adult 2XL. Funds from the sale of shirts will go back into the cost of them. The project is not one to raise money, simply to promote agriculture.

The design is by Ag Extension Agent Aimee Colf. Shirts are available at the Extension Center at 501 McLaurin Street in Wadesboro. They can be purchased Monday through Friday, from 8:30 until 5 p.m. while supplies last. Celebrate Anson County agriculture!

### 4-H Delegation Attends Annual Electric Congress

Morgan McCoy from Anson County attended the 67th annual 4-H

Electric Congress held July 14 through 16 at Western Carolina University in Cullowhee. Two hundred 4H'ers, adult leaders and NC Cooperative Extension agents from 59 counties attended the three day event. Since 1947 Duke Energy and Dominion North Carolina Power have sponsored the annual congress to emphasize energy conservation and safe electricity use. The 4-H Electric Energy Program is one of the most popular activities among Tar Heel 4-H'ers.

The 4-H program is the youth education program of North Carolina Cooperative Extension, based at North Carolina State and North Carolina A&T State universities. More than 227,782 young people between the ages of 5 and 19 participate in North Carolina 4-H activities each year with the help of 20,333 adult and youth volunteers.

Pictured here is Morgan McCoy, 18, daughter of Mrs. Stephanie McCoy of Wadesboro and Wayne Huddleston, account with executive with Duke energy.

### Auditions for Next Anson Play *Steel Magnolias*

Auditions will be held for the smash comedy hit *Steel Magnolias* by Robert Harling at the Ansonia Theatre on Tuesday, September 2, from 6 to 9 p.m. They need six women from ages 19 to 66. The show, directed by Tommy Wooten, will be performed in November. Portions of the script are available at the Arts Council.
