

Bearcat Band Prepares for New Halftime Show

The Bearcat Band is the high school level marching band and is comprised of students from both AHS and ACEC. Members have been working hard at band camp to prepare their new halftime show before the season starts.

Drum Major Sydnee Davis shared that she is most excited about getting to come together with her band family again to have fun on Friday nights.

Members also had the opportunity to get into some silliness during camp, including winning the opportunity to throw a pie at director Matthew Jarrett. Camp concluded with the annual camp picnic where students enjoyed pizza, ice cream sundaes, and team-building games.

Zohaa Ali Accepted to the North Carolina School of Science and Math

We are proud to announce that Anson County Early College student Zohaa Ali has been accepted to the North Carolina School of Science and Math! She will begin her journey at NCSSM this month.

Zohaa has worked very hard and accomplished many things while at Anson County Early College. She has been an asset to our campus and we will surely miss her!

Mrs. Wendy Dalrymple, Zohaa's 9th grade English teacher says, "Zohaa is a conscientious, self-motivated young scholar who willingly utilizes her talents and intellect to reach her goals. She is a pleasure to work with and admired by her peers."

We know Zohaa will do great things at NCSSM and wish her all the best!

Welcome Back Anson County Early College Students!

College classes for Anson County Early College students started on Monday, August 9, 2021 at South Piedmont Community College. We are so excited to have students back on campus!

The first week of classes has been a success. Students have been able to work with our Early College Coordinator, Ms. Marian Teachey to pick up their course materials and discuss their schedule and semester plans.

We are excited for the new programs and opportunities for students at ACEC in collaboration with South Piedmont Community College! It is going to be a great year at Anson County Early College!

Exciting Things are Happening in the Peachland-Polkton Media Center this School Year!

At Peachland-Polkton Elementary School students will be welcomed with all new flexible seating throughout the media center, which includes white board tabletops and rechargeable USB ports.

Over 300 new books have been purchased to add to our collection that are both fiction and nonfiction.

The PPES makerspace area, which is a collaborative workspace for making, learning and exploring, has been updated. New items, such as 3D printers, have been added in addition to creative tools like our fiddlesticks and the very fascinating interactive globe.

2021-2022

ANSON COUNTY SCHOOLS TEACHER OF THE YEAR

- Tracy Small - Anson Early College
- Courtney Morton - Anson High School
- Eric Howell - Anson Middle School
- Megan Randall - Ansonville Elementary
- Rebecca Tolson - Lilesville Elementary
- Bonita Langley - Morven Elementary
- Kaitlyn McPherson - Peachland/Polkton Elementary
- Carli Gibson - Wadesboro Primary
- Georgetta Williams - Wadesboro Elementary

Paraprofessionals of the Year

Congratulations

Principal of the Year

Chris Stinson
Anson High School

- Ericka Chaney - Anson Early College
