

## Operation Christmas Child Season has Begun

This is a release from Mt. Beulah Baptist Church: Operation Christmas is a project of Samaritan's Purse that delivers shoeboxes filled with toys, hygiene items and school supplies to children around the world as a way of expressing God's love through the hands of local partners to share the good news of Jesus Christ, God's greatest gift.

In 2020 more than 9.1 million shoeboxes were collected worldwide. Shoeboxes are now available for pick up at Mt. Beulah Baptist Church in Wadesboro. You can contact the church at 704-694-3063 or Hubert Wright at 704-695-4372 to pick up shoeboxes to fill. The shoeboxes will then be delivered to Charlotte where they will start their journey to children around the world.

## Learn About and Find NC Agricultural Products...and More

Got To Be NC is an initiative on behalf of the North Carolina Department of Agriculture & Consumer Services to promote North Carolina agricultural products and goods. Their mission is to promote and expand markets for North Carolina agricultural products both domestically and internationally in support of our state's \$85 billion plus food, fiber and forestry industries.

In 2005, the Goodness Grows in NC program was rebranded as Got To Be NC. From then to now, their work with North Carolina growers and agricultural organizations continues to raise the awareness and availability of North Carolina products to consumers both locally and around the world.

Check it out at [gottobenc.com](http://gottobenc.com).

Get inspired by the flavors, colors, seasons and sounds of North Carolina with recipes and ideas for exploring our state's agricultural offerings. Discover how to experience North Carolina agriculture and recipes at [gottobenc.com/inspiration](http://gottobenc.com/inspiration).

## Energy Efficiency Tip of the Month

Energy used for cooling and heating your home makes up the largest portion of your monthly energy bills. By combining regular equipment maintenance and upgrades with recommended insulation, air sealing and thermostat settings, you can save about 30% on your energy bills while helping our environment.
