How to Search Back Issues of The Express Online

Complete editions of The Express back to 2011 are available on our website, the-expressnewspaper.com. Access is free. You can go to the site and choose an edition by the date, or you can use Google to search for a particular article. Other search engines work, but Google delivers significantly more results.

How to search Google for past articles On the Google Search type this: the-expressnewspaper.com "your search term". For example, to search for articles about Posie: the-expressnewspaper.com "Posie".

This is the search method for other search engines as well. Using Google to search archived editions does not always give you complete results, but it does a very good job. Enjoy!
