

### Early Voting for November 6 Election Begins October 17

Early Voting for the upcoming November 6 Election begins next Wednesday, October 17. All registered voters in Anson County are urged to get out and vote. All Early Voting takes place at the Anson County Board of Elections Office, located at 402 Morven Road in Wadesboro.

The Early Voting dates and times are presented on page 6. On Election Day, Tuesday, November 6, the polls open at 6:30 a.m. and close at 7:30 p.m.

Of particular note for Anson County is the voting to determine if beer, wine and/or mixed beverage sales will be allowed throughout the county. The alcohol referendum voting is broken down into multiple scenarios that can be confusing, but basically citizens will be voting 'for' or 'against' the proposals.

Within Peachland, Polkton and White Store, each township has two different ballots because of districting in the county. In the races listed below, where voters in those towns have different races because of districting, the ballots are voting by the ballot number.

Dear Individual, Business, or Group:

Our office has been receiving questions recently in regards to signage, advertisements, newspaper articles, and more pertaining to the Anson County Referendums that are on the November 6<sup>th</sup>, 2018 Election Ballot.

With that being said and to clarify some information, we are enclosing information and forms necessary to be a referendum committee. A referendum committee by NC General Statute is defined as:

**Referendum Committee:**

A combination of two or more individuals or entities, or two or more business entities that have a major purpose to support or oppose the passage of any referendum on the ballot.

An entity remains a referendum committee as long as it receives contributions or makes expenditures or maintains assets. It may cease to exist when it winds up its operations, disposes of its assets, and files a final report.

A referendum committee may accept contributions from businesses with no limitations. However, a referendum committee may not contribute to any other political committee if it accepts contributions from businesses, corporations, labor unions, insurance companies or professional associations. (See N.C.G.S. § 163A-1425.

Any person(s) or groups who are engaging in support or opposition of referendum should be registered as a committee.

Our goal as a local elections office is to ensure that all voters who have the opportunity and right to vote can do so. In addition, our function is to ensure compliance and adherence to all Federal and State statutes in regards to campaigning, campaign finance reporting, and committees.

Please feel free to reach our office at 704-994-3223 or via email at [sadams@co.anson.nc.us](mailto:sadams@co.anson.nc.us) if we can further assist or answer any questions.
