

**This is Last Week of Tractor Supply Paper Clover Promotion Supporting 4-H**

Tractor Supply in Wadesboro is partnering with the National 4-H Council to offer a Fall Paper Clover Promotion to help support local 4-H programs in counties that have these stores. This promotion will run until Sunday, October 18. The cost for a paper clover is \$1. Proceeds will come to the local 4-H program that will have cover cost for trips, summer day camps, conferences and volunteer trainings.

Anson County is truly grateful to have a Tractor Supply in the county because there are only 31 in the state of North Carolina. So if you have not already done so, please go down to the store and purchase one or ten clovers.

Come out and see Anson County 4-H'ers on Saturday, October 17 for some added goodies! Remember, the proceeds are going to a great program that supports youth and adults in Anson County! Hope to see you there!

**Parks & Recreation Youth Basketball Registration**

Registration is open for Anson County Parks & Recreation Youth Basketball. The program is for grades: K-2 (coed); 3 & 4 (coed); 5 & 6; 7-9; and 10-12. The cost is \$25.

**Crop Walk is Sunday**

The annual Crop Walk for Church World Services is being sponsored this year by the Inter-Church Council. It will take place this Sunday, October 18 at 2 p.m. starting at First Baptist Church on Lee Avenue in Wadesboro, and ending at Sacred Heart Catholic Church. The walk will be a little over two miles. It includes walking down Morven Road to the Wadesboro Town Park, and then back to Sacred Heart. Those who would rather, can walk around the park instead of doing the complete walk. Water will be available at the park, and refreshments will be served at Sacred Heart.

Church World Services (CWS) has worked for nearly seven decades with one goal: building a world where there is enough for all. Crop Walk helps to fight hunger and poverty as well as promotes peace and justice. CWS is involved around the world and in the United States to fight hunger and poverty. Last year some of the activities included building safe schools, accessing clean water, developing sustainable energy solutions, and rebuilding villages after earthquakes.

One fourth of the monies raised will go to local charities in our area. Come take a walk and help those who live in poverty and are hungry.
