

Maintain, Don't Gain This Holiday Season

During this holiday season the only thing that should be "stuffed" is the turkey. Many Americans gain between 1 to 5 pounds each holiday season. While it might not sound like much, most people never manage to lose those extra pounds. You are invited to join the 15th annual "Eat Smart, Move More, Maintain, Don't Gain! Holiday Challenge." Rather than focusing on trying to lose weight, this FREE seven-week challenge (November 15-December 31) provides you with strategies and resources to help maintain your weight throughout the holiday season. Last year more than 44,670 people from around the world participated. Now it's time for the 2021 Holiday Challenge. If you have questions please go to esmmweighless.com/sign and click on the frequently asked question section. If you cannot find your answer there, please feel free to contact Roshunda Terry, County Extension Director, at 704-694-2915. You can also sign up at esmmweighless.com/sign. Also, be on the lookout on the Extension Facebook page for recipes and tips during this challenge.

Free Pet Vaccinations Oct. 23

Anson County Animal Shelter will provide free vaccinations for Anson County area pets. The free vaccines are made possible through Petco Love's new national vaccination initiative, which is providing 1 million free pet vaccines to its existing animal welfare partners, including Anson County Animal Shelter., for family pets in need.

Parvovirus and distemper in dogs, and panleukopenia in cats, are some of the most prevalent deadly diseases impacting pets that are preventable with a simple vaccine. To address this critical need, Anson County Animal Shelter and Petco Love are partnering to make pet vaccines free and accessible in an effort to ensure the health and wellness of our beloved pets.

Anson County Animal Shelter aims to vaccinate 500 pets at their location through this effort. The event will be held on Saturday October 23, from 9 a.m. to 12 noon in the parking lot. The Animal Shelter is located at 7257 Highway 74 in Polkton, at the entrance to the Field of Dreams. Please have all pets restrained and stay in your cars, they will give you instructions upon arrival. This is a 1st come, 1st serve clinic.

Vaccines distributed through the Petco Love initiative will be the DAPPv Canine and HCP Feline vaccines. The shelter plans to also offer 1 year Rabies vaccinations, through their partnership with Zoetis for Shelter Programs.

For more information about vaccine distribution contact Maureen Lett at mlett@ansoncountync.gov or 704-994-2738.
