

CELEBRATE YOUR FRESH NEW

FOOD LION

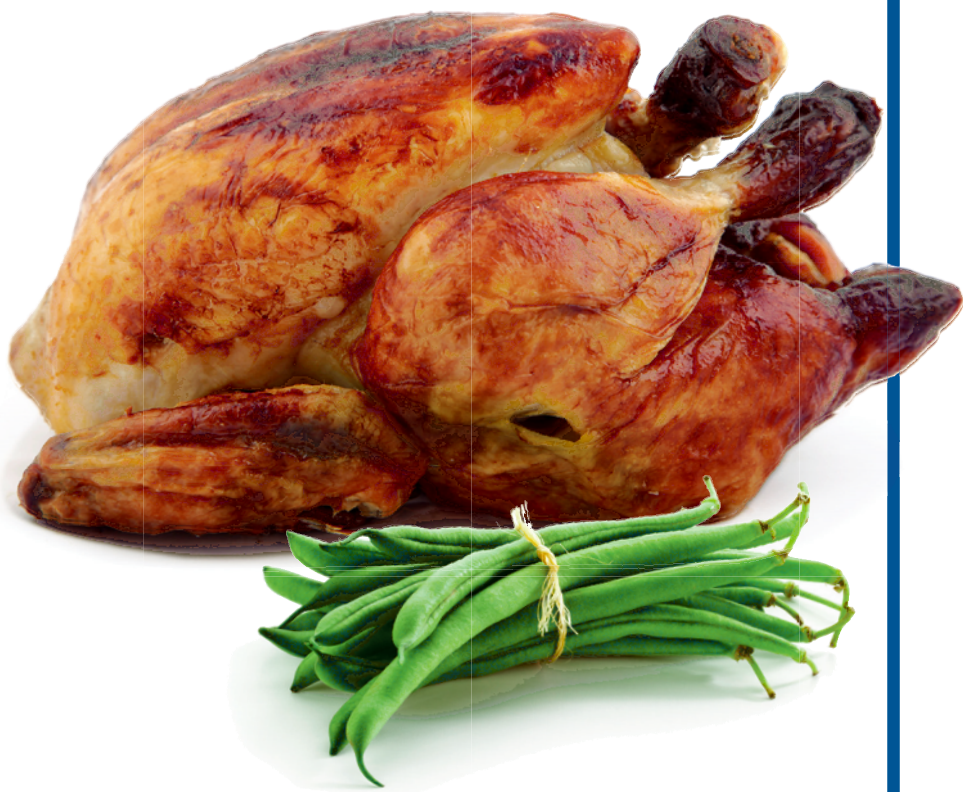

Nature's Place[®] ORGANIC SALADS

These USDA organic salads are free from preservatives, chemical pesticides, synthetic fertilizers, and GMO's. Enjoy our fresh **Nature's Place** salads as a great addition to your dinner table tonight.

Nature's Place[®]

ALL NATURAL ROTISSERIE CHICKEN

Our new **Nature's Place** rotisserie chickens are naturally raised, cage free, and are fed a 100% vegetarian diet. These moist, flavorful chickens are cooked to perfection and are free from all forms of antibiotics, growth hormones and stimulants, preservatives, and MSG.

Nature's Place[®]

EXPANDED SELECTION

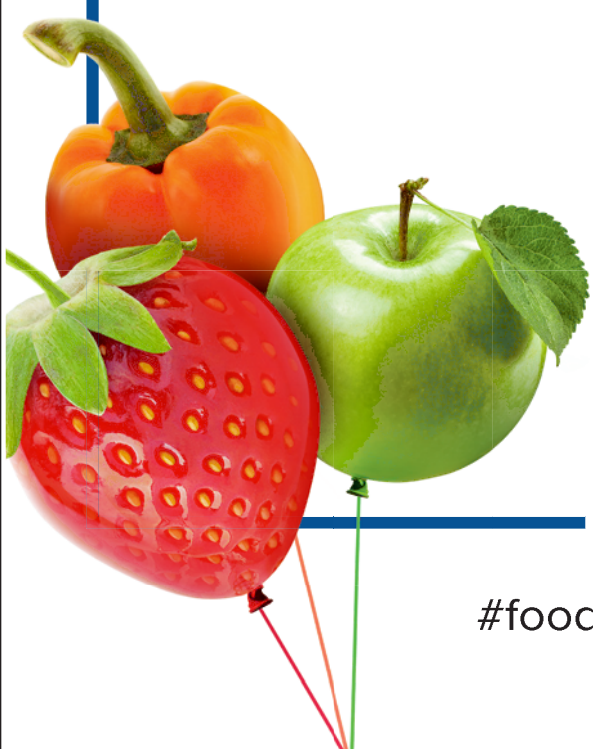

Our **Nature's Place** meat selections now include beef, pork, and poultry, making it easier to enjoy fresh quality meats that are free from antibiotics and added growth hormones.

NEW! Nature's Place[®]

BAKERY ITEMS

Our Bakery now features new **Nature's Place** baked goods that are made without preservatives, GMO's, hydrogenated oils or high fructose corn syrup.

HOW REFRESHING
