The Anson County Health Department proudly announces the return of the March of Dimes March for Babies walk. The walk will be held on Saturday, November 16 at the Anson High School track, which is just in time for World Premature Awareness Day on November 17. In addition to walkers, Joel and Lenelle White with their son Luke, the March of Dimes 2013 Ambassador Family, will also be in attendance. March for Babies is the nation's oldest fundraising walk honoring babies born healthy and those who need help to survive and thrive. Multiple events will take place across the state from April to November aiming to raise more than \$1 million. Registration begins at 9 a.m., and the walk begins at 10 a.m.

Local and national companies as diverse as airlines, insurance companies and retailers are aligning their brands with a cause that's important to their employees' and community's hearts - the health of babies. Locally, March for Babies is supported by the Anson County Health Department, with Hornwood Inc., Brown Creek Animal Hospital, Parsons Drug and Leavitt Funeral Home. For sponsorship information contact Kristy Ratliff at 704-694-5188 or [kratliff@co.anson.nc.us](mailto:kratliff@co.anson.nc.us).

tax deductible) and you may register up until the day of the walk. March for Babies is the March of Dimes' largest annual fundraiser nationwide, raising over \$2 billion since its inception in 1970. Funds raised helps moms have healthy, full-term pregnancies, fund research to find answers to the problems that threaten babies' lives, and provide comfort to families who have a baby in neonatal intensive care.
