

**Veterans Day Event Drew Lots of Attendees**

Veterans Day was celebrated in Wadesboro on Monday, November 11 under bright blue skies and warm temperatures. The perfect weather capped off a terrific event organized by Ted Ward, Anson County's Veteran Services Officer. The day featured a parade, a ceremony at the courthouse and a lively event at Ray Shelton Ball Field with food, music, displays, health services for veterans, and lots of fellowship.

**NC Back-to-Work Grant Awarded to SPCC**

South Piedmont Community College has been awarded a grant through the NC Back-to-Work Grant program that will help area residents get the training they need to return to the workforce. Programs include career paths in Computer Information Technology-Operating Systems Certificate and Computer Information Technology-Microsoft Office Certificate. All program training will be short-term and lead to industry-recognized or state-regulated credentials. The plan will also provide 24-hour human resource development courses as well as assessments to earn a North Carolina Career Readiness Certificate.

The NC Back-to-Work program is supported by both the NC Community College System and the NC Department of Commerce, allowing community colleges to partner with employers as well as workforce development boards and other local agencies to help match training with areas of workforce demand. This year, eligibility has been expanded and funds from the grant may be used to provide financial assistance (tuition, books and credentialing fees) to the unemployed, underemployed (insufficient employment), veterans and members of the N.C. National Guard.

South Piedmont Community College serves approximately 3,000 students from Union and Anson counties in North Carolina. Offering 64 degree programs and many continuing education opportunities, SPCC's mission is learning, student success, work force and community development.

For additional information regarding NC Back-to-Work, contact Al Johnstone at South Piedmont Community College at (704) 290-5218.
