Mr. Russell Monroe Burckhalter, Jr., just 51 years old, died unexpectedly on Saturday, November 13, 2021, at George Washington University Hospital in Washington, DC. His wife and family are deeply saddened by his sudden death.

Funeral services were held on Wednesday, November 24, 2021, in the Chapel of Leavitt Funeral Home with Rev. Ricky Marsh officiating. The family greeted friends one hour prior to the service on Wednesday at the funeral home.

Rusty was born March 2, 1970, in Anson County, and grew up in Lilesville. He was a son of Linda Knotts Powe and Russell Monroe Burckhalter. He was adopted and raised by his grandmother, Gladys Webster Knotts.

In 2001 he moved to Brunswick County, NC with his wife Misty and their son Brandon. He was a resident of Southport, NC since 2004. He worked in construction most of his life and enjoyed using his hands and building things. He loved the water, music, cooking and helping others. He also taught himself to play the drums.

Rusty enjoyed times spent with his family and friends. He was always willing to cook a meal or just grill burgers for those he was with. He never met a stranger and would always make anyone feel welcome. He would do anything for a laugh and his sense of humor would light up a room. Anyone who knew him, truly knew he would give you anything or help in anyway possible. He was involved with relief efforts in Lumberton, NC during Hurricane Matthews.

Rusty was a peacemaker. He could give excellent advice and could help find the right direction in any situation. He was a source of positivity.

Rusty loved the Lord and was a member of Bethany Free Will Baptist Church in Wadesboro.

He enjoyed spending time with his wife and best friend Misty. They traveled and explored many places over the last six years, making memories and friends along the way.

Those left to cherish his memory are his wife of 22 years Misty Marsh Burckhalter; his children, Brandon Burckhalter and Brittany Burckhalter; his grandchildren, Kasiah and Dominic; his mother Linda Powe; his brothers and sisters, Keith Burckhalter, Terry Lee Milligan and Justin Power (Lauren); and his aunts and uncles, including Joan Puckett (Tony) who he loved like another mother; his cousins, including Misty Puckett who he loved like a sister and Dale Carpenter who was near and dear to his heart, as well and his best friend since they were babies, Darius Johnson.

The family suggests that in lieu of flowers, memorials be made to Bethany Free Will Baptist Church, Wadesboro, NC.

The arrangements were in care of Leavitt Funeral Home and online condolences may be made at www.leavittfh.com.

Shawn was born February 9, 1978, in Chesterfield County, SC and was a son of the late Ernest Malcom "Mike" Harris, Jr. and the late Sybil Chewing Gatewood. He was a graduate of Anson High School, a veteran of the United States Army and worked with Edwards Wood Products.

Those left to cherish his memory are his son Landon Harris (Sarah) of Concord; his grandbaby who was born the same day he passed away, Ashton; his father Ed Gatewood of Wadesboro; his brothers, Brad Gatewood and Joel Gatewood (Jennifer), all of Wadesboro; his uncle Steve Chewing (Ann) of Wadesboro; his aunts, Nancy Gulleddge and Peggy Gatewood, both of Lilesville and Shirley Leahy of Johnstown, CO; and his cousins and their families.

In addition to his parents, he was preceded in death by his maternal grandparents, John Franklin and Ollie Mae Carter Chewing.

In lieu of flowers, memorials may be made to the charity of the donor's choice.

FBI Charlotte Issues Warning About Holiday Shopping Scams

With more people shopping online, FBI Charlotte is warning shoppers to be diligent about what gifts they are buying, and where they're buying those gifts. Scammers count on you not to do your homework, and to believe those expensive gifts in pop-up ads are truly half price. Don't fall for it. If a deal looks too good to be true, it probably is. Scammers may offer too-good-to-be-true deals through phishing e-mails or advertisements. Some may offer brand name merchandise at extremely low discounts or promise gift cards as an incentive to purchase a product.

There are ways to protect yourself when shopping online:

- Buy directly from a secure and reputable website.
- Beware of social media posts that appear to offer special vouchers or gift cards, or particularly low prices.
- Verify the legitimacy of buyers or sellers before making a purchase. If you're using an online marketplace or auction website, check feedback ratings.
- Avoid solicitations or ads with misspelled words, broken English, or requests to pay for your order with a gift card.
- Track your order through your original confirmation e-mail.
- Check your credit card and bank statements regularly to make sure no fraudulent charges show up.

If you suspect you've been victimized:

- Contact your financial institution immediately upon suspecting or discovering a fraud.
- Contact local law enforcement.
- File a complaint with the FBI's Internet Crime Complaint Center at the website: ic3.gov.

Windstream participates in a government benefit program called Lifeline to make residential telephone or broadband service more affordable to eligible low-income individuals and families. Eligible customers are those that meet eligibility standards as defined by the FCC and state commission. Residents who live on federally recognized Tribal Lands may also qualify for additional Tribal benefits if they participate in certain federal eligibility programs. The program offers a monthly discount limited to one discount per household and can either be applied to wireline or wireless. If applied to wireline the discount can be applied to either your voice or broadband service. The monthly discount is up to \$5.25 per month for voice only service or up to \$9.25 per month for broadband service.

Windstream's basic local service rates for residential voice lines range from \$20 to \$32 per month depending on your service location. Specific rates will be provided upon request. For the broadband Lifeline discount to apply, a customer must subscribe to a Windstream service that meets the minimum standard requirements as defined by the FCC.

For the purposes of the Lifeline program a household is defined as any individual or group of individuals who live together at the same address and share income and expenses. Lifeline service is not transferable, and only eligible consumers may enroll in the program. Consumers who willfully make false statements to obtain Lifeline telephone or broadband service can be punished by fine or imprisonment and can be barred from the program. If you live in a Windstream service area, please call 1-800-347-1991 or visit www.windstream.com/Lifeline with questions or to request an application for the Lifeline program.
