Anson Mobile Market is December 15

This is a release from the Anson Cooperative Extension: Atrium Health Anson, Anson County Extension, Carolinas Primary Care, Anson County Health Department and WellCare have partnered to offer the Anson Mobile Market. This is an event that will afford the citizens of Anson County to receive six to eight different types of fresh produce monthly. This is a free initiative, so please stop by and get some produce. This event is to assist in the scarcity of fresh, healthy food in the county. It will also serve as an educational event to offer education on the two targeted areas of the county health assessment which are tobacco use and hypertension. Agencies will be set up offering services and information in those two targeted areas. There will be blood pressure and blood sugar checks, along with other healthy living topics. There will also be recipe cards for produce items you will receive each month to assist in cooking them. The next event will be held on the Square in uptown Wadesboro (corner of Greene & Wade Streets) on Thursday, December 15. There will be two time intervals to pick up produce, 10:00 a.m. to 1:00 p.m. and 3:00 to 6:00 p.m. This gives those that are working and get off later the opportunity to come pick up items. Items will be on hand for you to carry your produce in along with some give aways. We hope many will come out and participate in this wonderful opportunity.
