

Lunch and Learn Veterans Day Program at Morven Elementary School

The students at Morven Elementary welcomed the VFW James D. Henderson Post 10403, Ladies Auxiliary and Buffalo Soldiers as they participated in the "Lunch and Learn" Veterans Day Program. Students were able to actively participate in learning about the Buffalo Soldiers and the VFW Post in Wadesboro.

Mr. John Lester Harris, one of the original Buffalo Soldiers, was among the veterans. The students graciously entertained the veterans with songs, dance and poems.

Morven Elementary Hosts the NED Show

The NED Show inspired and motivated the students at Morven Elementary to become champions in school and in life, every day. The school-wide character education program was presented in a 45 minute assembly.

NED is a loveable cartoon character whose name is an acronym for Never give up, Encourage others, and Do your best. The students related and focused on NED messages of positive attitude and academic achievement.

Excitement began with the assembly and will continue throughout the year to promote a culture of kindness and excellence at Morven Elementary.

LES Students, Staff and Families Make Generous Donation to Toys for Tots
