

Five Minutes Could Save Your Life Savings!

Is that individual offering you an investment opportunity licensed to sell securities in North Carolina? Is the investment opportunity itself registered? Know before you sign! While registration in and of itself is no guarantee against fraud, not being registered is a very big red warning flag. The North Carolina Secretary of State Office urges you to take five minutes to call their NC Investor Hotline at 1-800-688-4507 to see if the person you have been dealing with – perhaps even for years – is properly registered and/or has a disciplinary history. Pick up the phone and call. You owe it to yourself and your family to check.
