Eastview Cemetery Update

Donations are encouraged from those with family buried there and any other donors

Eastview Cemetery is located on Old Lilesville Road in Wadesboro. There is ongoing work to maintain and improve the cemetery, both by hired professionals and by dedicated volunteers. Presented below is a letter from Ken Caulder, an Eastview Trustee:

Dear Friends,
On behalf of the trustees of Eastview Cemetery, I greet you from beautiful Wadesboro.

There has been some restructuring of the Trustees for Eastview Cemetery and we have taken on a few small projects to help beautify the cemetery. During 2023 we have had the brick entrances and wrought iron gates pressure washed and painted, along with the brownstone walls in the oldest section of the cemetery. All of the steps and handrails have been pressure washed and painted. As you are aware, there is much to do at Eastview.

We have made arrangements with the lawn care service to mow the cemetery every three weeks during the summer months to get on a more realistic schedule to maintain the grounds in a more pleasing manner. Adam Pope is now responsible for the lawn care, and he has committed to keeping things in a better state and more timely manner than was possible to be done in the past with previous arrangements with lawn care companies.

A pine tree fell in one section and needed to be removed, which made us aware of other old and damaged pine trees in the same area, also in need of being removed. We contracted with Mr. Pope to clean up the fallen tree, remove the other necessary trees and to clear the bank of unwanted growth. This is in the southernmost area through the main drive in the cemetery.

The cemetery has no signage. We have investigated purchasing a sign for the cemetery stating "Eastview Cemetery Circa 1805." Based on information from the Historical Society, it is believed the first grave was placed in the cemetery in 1805. This will be a minimal cost compared to the larger projects we have ahead of us.

In a meeting in 2020 the trustees agreed unanimously to make repairs necessary to the roadways in the cemetery. Prior to finding this information, we asked for bids from two different paving companies about paving the roadways in the cemetery. This would be, of course, the largest cost to the cemetery trust. We anticipate a campaign to raise funds for this project.

Due to the lack of interest and communication in the past, the current trustees feel it necessary to reach out to the families we have contact information for and make them aware of our efforts and the need for financial support. We all have the best interest of the cemetery in mind and at heart, and the trustees want it to be as well maintained as possible from here on out.

With that being said, we need your help. Contributions in any amount, whether one time or recurring, will have influence in helping maintain the beauty and dignity of the cemetery.

It is our hope you will see fit to help Eastview Cemetery. If you can contribute, please contact Ken Caulder at Leavitt Funeral Home, 704-694-2524. The mailing address is: Eastview Cemetery Fund, PO Box 274, Wadesboro NC 28170
