### Letter to the Editor Please Do Not Litter

I enjoy the beauty of God's creation and this area is beautiful. I hate when anything mars that beauty. Litter is one of those things, and is so preventable. It is up to all of us to do our part to stop this in our community.

I live out in the country, between the areas of Bethel and Deep Creek, and all the roads around my home are terribly littered. I pick up this trash near my house, but cannot do nearly all the work required. There is a public dump site at Gatewood Station only a mile or two away that is open on Tuesdays and Saturdays, yet someone dumps all their garbage in the ditch in any wooded area outside the sight of any house. Fast food trash and all kinds of drink containers and diapers are thrown from passing vehicles.

It is very simple to store several grocery bags in the pockets on the back of front seats to put this trash into. Tie it up, and take it out to place in any trash can at your destination.

Please help us all by being more thoughtful of your neighbors. Sandra Ketchie
