

Harvest Ministries Block Party on Salisbury Street Reaches Hundreds

Hundreds braved the cold temperatures on Saturday, January 26th to take part in a block party hosted by Harvest Ministries Outreach Center on Salisbury Street in Wadesboro. The event was held in the parking lot of Ebenezer Missionary Baptist Church.

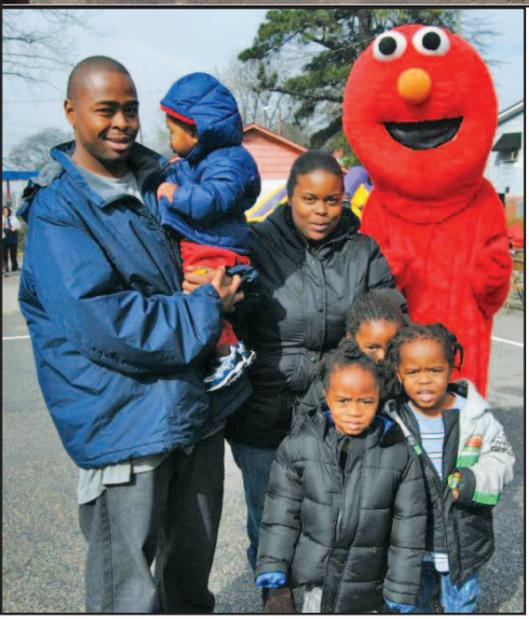

Lead Pastor of HMOC Steve Adams shared, "This community and neighborhood recently had a terrible tragedy and loss of young lives, and it is our duty and responsibility as a church, a county, and citizens to do whatever it takes to make a difference where we live."

Guests of the event enjoyed the Moon Bounce (courtesy of HOLLA!), free hot dogs, drinks, popcorn, hygiene bags, groceries, games, prizes, special appearances from Shrek and Elmo and more. Adams added, "To see the difference that we all want and desire to happen, it's going to take days and partnerships like today to happen."

Many lucky guests left with cash in their hands, smiles on their faces, and the hope that the neighborhood will continue to see positive things develop even from such a tragedy. Founder of HMOC, Pastor Tim Adams said, "Special thanks to Ebenezer Church, HOLLA! and the many others who worked together to show this community love, hope, and encouragement. Today is an example of what can happen when we come together."

To close out the day Pastor Adams told the crowd, "People around you care about this neighborhood. Pastor Barr and Ebenezer Church, HOLLA!, Harvest, and many others are here for you...be sure to take advantage of the resources right next door." The event concluded with a special prayer for the area and nearly 100 hands being raised to accept Christ and make a change in lifestyle.

More outreach efforts are being planned for the area. For details contact Harvest Ministries Outreach Center at 704-695-2879 or at www.harvestmin.com.

Wilson. At the end of the day approximately 300 feet of split rail fence had replaced the metal post and wire fence that had previously been installed.

Special thanks go out to the Town of Wadesboro for allowing this project to proceed, to Wadesboro Lumber and Barns of Wadesboro for their help in obtaining materials, to Mr Stevie Greene of Marshville for his assistance, and to the members of Progress Energy who helped with the electrical routing around the posts.

Pictured here are Ethan Wilson, Ty Coley and Latravious Tyson setting one of many posts. Ethan is the son of Stuart and Babs Wilson of Wadesboro.

Here is the finished 3-rail fence at rear of parking area. Fencing on right side of the parking area is of the 2-rail system to not detract from the view of the walking trail, playground, and picnic shelter.
