

Frosty Feet 5K "Super Bowl Caliber"

February 3 was more than Super Bowl Sunday in this community 117 participants running and walking in the Frosty Feet 5K held in up-town Wadesboro trumped the day, at least the afternoon portion of the day.

Anson's Majorettes hosted the race in their fundraising efforts to travel, compete and perform at Walt Disney World's Hollywood Studios. The event, coordinated by Coach Anne Hyatt and her team of worker bees, was a huge success. Attempting a race on Super Bowl Sunday was a bit risky, but the gamble more than paid off. With the 2:30 p.m. start everyone had plenty of time to do all the things they wanted and still make it home in time for the big game.

The game lived up to its name "Frosty Feet," in the beginning, but by the end of the 3.1 mile course things had warmed a little and the sunshine served as a perfect beacon to guide the multitude of participants around the predetermined racecourse - both starting and ending at the First United Methodist Church.

"I enjoy walking and wanted to give my support for the majorettes," said Mrs. Becky and ending at the First United Methodist Church.

"I enjoy walking and wanted to give my support for the majorettes," said Mrs. Sharon Weeks and fundraising efforts. "We enjoy our fellowship together and enjoy helping others at the same time."

Winners were Melissa Orr, First Female Overall, Lauren Clark, Second Female Overall and McKayla High, First Male Overall. Jeremy Burr, First Male Overall, J.R. Hayes, Second Male Overall and Bubba Hutchinson, Third Male Overall.

Many thanks are extended to the Wadesboro Police Department, Wadesboro Fire Department, Anson County Sheriff's Office, Town of Wadesboro, First United Methodist Church, First Presbyterian Church, Chris Sanford at Wadesboro IGA, Pee Dee Electric, Sonic, event sponsors, and volunteers who helped make this a safe, successful and fun day. Thank you to Vac and Dash Timing Team and Mr. Pete Ascuitto for guidance in organizing the 5K.

Don't Forget Your Sunglasses!

UV rays can increase the risk of cataracts, macular degeneration and other eye diseases.
50% of UV damage to eyes is done before a person is 18 years old, so kids need sunglasses too!
Sunglass frames with a close fitting wrap around style provide the best UV protection.
Polarized lenses reduce reflected glare from surrounding water.

Remember the kids too!!
