

Shia Monae Liles Crowned as First Little Miss HOLLA!

Under the theme 'A Splash of Color,' five year old Shia Monae Liles shined through as the first Little Miss HOLLA! The pageant was held on Saturday, February 7 at the Hampton B. Allen Library. The eight young ladies vying for the title gracefully presented themselves before the audience several times during the exciting event. Since August 2014 the young ladies have taken a journey of growth through developing poise and their own talents, community service, teamwork, and endurance.

"In 2010 Mary E. Little and I discussed the goal of developing a fundraiser that would both support HOLLA! programs and developing our children," said Johnie Pettiford, pageant director. "On February 7, 2015, it was with great pride and pleasure that I watched our vision come to fruition in the form of the first Little Miss HOLLA! Pageant."

Shia is the daughter of Tara Lotharp and Martin Liles and a student at Ansonville Elementary School. She was joined in the Little Miss HOLLA! Pageant by Za'Kiya Hixson (1st Runner-up), Nyla Edwards (2nd runner-up), Jackie Cherry, Nakayla Robinson, Brenne Taylor, Siyanna Webster and Malaya Craig.

Anson Animal Shelter Needs Volunteers Wouldn't You Like to Help?

The Animal Shelter depends on the help of volunteers to ensure that animal residents receive love and care. More volunteers will also help relieve the workload on staff which can result in more time for resident animals to be adopted before they are euthanized (put to sleep). Please consider volunteering. For more information on helping, call 704-994-2738.

Anson County Animal Shelter is listed on *Petfinder.com*. This is a searchable national database of pets available for adoption that includes a description and photo. All the animals that are up for adoption are listed and have a picture. Just go to *Petfinder.com* and search for any Anson County town or zip code.

A rescue from Animal Shelter can bring lots of happiness and love into any home...and you will make the animal happy too! It's a win-win.

And remember, older animals need a home and love too!

Notice of Public Comment period and Public Hearing on Draft Permit Number 0403-MSWLF-2010, to increase the rate of waste disposal at the Chambers Development of North Carolina, Inc., a municipal solid waste landfill facility (MSWLF), pursuant to 15A NCAC 13B .1603 of the Solid Waste Management Rules, from 1500 tons per day to 3000 tons per day is hereby given. The facility is located at 375 Dozer Drive, north of US Hwy. 74 and east of Polkton in Anson County and includes a total area of approximately 875.7 acres. The "Solid Waste Disposal Franchise Ordinance" for this landfill action was approved by Anson County Board of Commissioners on January 9, 2012.

In accordance with the North Carolina Solid Waste Management Rules, specifically Rule 15A NCAC 13B .1603(a) (4)(B), a proposed substantial change in the tonnage rate for an existing municipal solid waste landfill (MSWLF) requires a new facility permit. This draft permit reflects the request by Chambers Development of North Carolina, Inc., a wholly owned subsidiary of Waste Connections, Inc., that the current approved tonnage rate of 1500 tons per day be increased to 3000 tons per day. This draft permit does not authorize the construction of additional landfill disposal capacity, change the service area, total volume, or characteristics of waste stream established in the permit.

North Carolina Solid Waste Management Rules require that the public be given a 45-day period to comment on this draft permit. The comment period will begin Feb. 11 and end at 4:00 p.m. on April 1, 2015. Interested parties may submit written statements and data concerning the proposed changes to the facility permit and conditions to the division at the following address:

Washington St., Wadesboro, N.C. Interested parties may submit oral or written statements and data concerning the proposed changes to the facility permit. Persons wishing to speak may register at the hearing. Comments will be limited to five minutes. A fact sheet and copies of the draft permit may be obtained from the division contact. Persons wishing notification of a final permit decision may register with the contact.

All data submitted by the applicant is available as part of the administrative record and may be reviewed during business hours (9 a.m. - 4 p.m., Monday-Friday, by appointment) at the Division of Waste Management, 217 W Jones Street, Raleigh, NC 27609.
