Girl Scout cookie sales help power new, unique and amazing experiences for girls - experiences that broaden their worlds, help them learn essential life skills, and prepare them to practice a lifetime of leadership. Whether it's a trip to a place they've never been before, an opportunity to attend Girl Scout camp and revel in the power of the great outdoors, or the chance to try something new, every experience helps each scout to find the G.I.R.L. (Go-getter, Innovator, Risk-taker, Leader) within to do amazing things for herself and for the community.

Last year local Girl Scouts used to cookie sales to complete local "take-action" projects, including new Christmas Tree lighting songbooks for the Town of Peachland, as well as collecting personal hygiene items for Anson Crisis Ministry. Many scouts also had an opportunity to go camping, attend a theatre performance, learn tea party etiquette, and take a summer trip to Savannah, GA to visit the birthplace of the founder of the Girl Scouts of the United States, Juliette Gordon Low.
