## Anson County Experiencing a Rash of Property Crimes

**You can help by being observant and reporting anything suspicious**

Anson County is currently experiencing a high volume of property crimes according to the Sheriff's Office. Protecting citizens and their property is a major priority for the Sheriff. Sheriff Reid has these recommendations for all Ansonians.

- There is no particular time of day when these crimes are happening. The Sheriff's Office is asking citizens to be their eyes and ears of the community by being observant.
- Sheriff Reid recommends that you record serial numbers for all of your personal items that have one.
- Store your possessions in a safe place.
- If you have any information regarding a crime you may have seen or heard about, or know anything about who may be responsible for these ongoing breaking and enterings and larcenies throughout the county, please contact the Sheriff's Office at 704-694-7083 or Captain Tim Watkins at 704-695-6314. Any information will remain confidential.

## Anson Youth Enjoy a Free Trip to Great Wolf Lodge

For the second time in as many months a group of Anson County youth were able to enjoy a free trip to the Great Wolf Lodge. This trip was provided by Miss Gloria Howard and Pastor Brad Humphries of First Fellowship Ministries in Charlotte. Transportation was provided by Harvest Ministries Outreach Center in Wadesboro.

Pastor Tim Adams, Founder of Harvest stated, "Thirty youth were able to attend a once in a life time trip to enjoy the water park and facilities of the beautiful Great Wolf Lodge." Adams added that a few of the youth told him, "I've never been to Concord," so this trip was truly a blessing to many.

Gloria Howard shared, "It's such a blessing to be able to give to the wonderful community and children of Anson County, my home."

## Pee Dee Electric Kicks Off Bright Ideas Education Grants

**Teachers apply for education grants up to \$2,000**

Pee Dee Electric, along with 25 other co-ops in the network of North Carolina's electric cooperatives have collectively pledged nearly \$600,000 to the state's teachers in Bright Ideas education grant funding for the 2016-17 school year. Educators can submit an application for grants of up to \$2,000 for creative, hands-on classroom projects that would not otherwise be possible. Teachers can learn more and apply online at [www.ncbrightideas.com](http://www.ncbrightideas.com).

"For more than 20 years, Bright Ideas grants have helped teachers bring innovative ideas to life and get students excited about learning," said Ashley Haynes, Communications Specialist for Pee Dee Electric. "Pee Dee is committed to the communities we serve, and we believe there is no better investment than in the education of our youth."

Pee Dee Electric expects to award over \$13,000 in Bright Ideas grants this year to teachers in Anson, Moore, Montgomery, Richmond, Scotland, Stanly and Union counties. The grants are available to K-12 teachers for innovative projects in any subject and teachers can apply individually or as a team.

Applications will be accepted through September 23, but teachers are encouraged to apply early. Teachers who submit their applications by the early bird deadline of Monday, August 15 will be entered to win a Visa gift card. All applications must be submitted online at [NCBrightIdeas.com](http://NCBrightIdeas.com).

To apply, teachers must include a budget, explain the implementation, goals, creative elements and evaluation of the project and have approval from the school principal. Applications will be judged in a competitive evaluation process, and judges will be on the lookout for projects that feature innovation and creativity. The application and grant-writing tips can be found at [www.ncbrightideas.com](http://www.ncbrightideas.com).

Since 1994, Pee Dee Electric and North Carolina's electric cooperatives have worked to enhance education by engaging students in meaningful learning projects that encourage creative approaches. In the past two decades, North Carolina's electric cooperatives have contributed more than \$10.2 million to teachers for 9,800 projects benefiting more than 2 million students.

"Teachers have amazing, creative ideas that are designed to help students succeed, and we never want a lack of resources to limit the implementation of those ideas," Haynes said. "The enthusiasm and dedication of educators never ceases to amaze us, and we are proud to support their efforts."

Pee Dee Electric is a not-for-profit cooperative whose goal is to provide reliable, dependable electric service for its members while focusing on value, quality customer service, and enhancing life in the communities we serve. Pee Dee's service area consists of Anson, Richmond, Union, Stanly, Montgomery, Moore and Scotland counties. ## Aware? Or Beware!

This is a release from Mary Lynn Railton at the Anson County Health Department: We are created male and female, sexual creations, created by the act of sexual intercourse. Sexual health and behavior is part of every person's life. Our behavioral choices are based upon our knowledge, our environment, our belief system and our culture. Risky sexual behavior results in unplanned pregnancy and the spread of sexually transmitted infections (STI's), including HIV.

Now we know that the STI called the Human Papilloma Virus causes cancers that can be debilitating and fatal years after the initial infection. At the Anson County Health Department we have a vaccine to inhibit the infection and spread of this virus. It is recommended for males, ages 11-21, and to females, ages 11-26.

The Health Department's Family Planning Program is dedicated to providing education and resources for the promotion of healthy attitudes and behaviors. Our Mission Statement is "To protect our environment, prevent the spread of diseases and promote the health and wellbeing of all the citizens of Anson County."

Call the Health Department today at 704-694-5188 and make a Family Planning appointment for a physical examination and counseling. Reduce your risks by being informed. Live long and be healthy.
