

## Camerons Celebrate 50th Wedding Anniversary

On Friday, March 14 William Edward and Clara Eileen Rummer Cameron celebrated their 50th wedding anniversary. The Camerons began their journey together in Newark, Ohio with a chance meeting at the water cooler. There were no more paper cups at the Newark Air Force Base water cooler and Bill came to the rescue with a coffee cup for Eileen to use! They were married at the Church of Christ in Newark. After that Eileen left her position at the base as a civilian secretary to become a homemaker. Bill continued working as an electrical contractor for the Air Force in several states. Over time Bill also worked at Westinghouse, built three homes, opened his own business, worked on space shuttles for Kennedy Space Center, and retired in 2000.

Since Bill's retirement he has preached for small churches of Christ in Tennessee and North Carolina. He also enjoys hiking and fishing. Eileen enjoys her time reading as many books as possible. In the last 14 years she has read enough books to fill a good sized library. The Camerons are the parents of three children, John, who is married to Jackie, Lisa, who is married to David, and the youngest son Rob. They have a granddaughter, Julianne. A grandson is also on the way.

## BRLC Kids Café Easter Activities Enjoyed by All

Children who attended the Burnsville Recreation & Learning Center had fun on Good Friday as they were entertained by Ms. Shelia Ray. She the Bunny provided fun and creative activities for all the children. The activities consisted of coloring a beautiful picture of a bunny as well as a bouquet of flowers. She She asked the children questions about Jesus' life, his disciples, his death and his resurrection. All children participated in the activities as well as the adults.
