truck and always wanted it to be clean. He came home many late nights from working and washed his truck, especially the wheels because he wanted no mud on the tires! He believed in a clean truck.

He was an avid outdoorsman, enjoying fishing, and in his early years rabbit hunting. He looked forward to trips to the beach for flounder fishing. Roger kept the television on fishing shows, watching them over and over again. He said he was afraid he might miss something. He was also an avid football fan, regardless of the teams playing.

Those left to cherish his memory are his loving companion of 26 years, Debra Garris; his children, Chad Boradaway (fiance' Rhonda Burr) of Rockingham and Todd Broadaway of Polkton; his grandchildren, Cash Broadaway, Chance Broadaway and Cody Cummings; his great-grandson Braxton; his mother Mildred Broadaway of Polkton; his brother and sisters-in-law, Gary and Denise Broadaway and Lisa Broadaway, all of Polkton; and his nieces and nephews and their families.

In addition to his father, he was preceded in death by his brother Mike Broadaway.

Birding Exploration May 10

It's a 2 1/2 hour drive, but worth it for birders

Join professional birder Kevin Burke for a birding exploration of Holmes Educational State Forest on Friday, May 10, 8:30-10:30 a.m.

Hikers can expect to see/hear warblers (such as ovenbird, black throated green warbler, hooded warbler, Louisiana waterthrush and Northern parula), tanagers (scarlet) and vireos (red-eyed and blue-headed), among other species.

The program is limited to 15 participants. The group will meet in the main parking area at the amphitheater. It is recommended that you bring comfortable shoes, a water bottle, camera and bird field guide if you have one.

This program is free, but you must sign up to participate. Call 828-692-0100 or email holmesesf.ncfs@ncagr.gov to reserve your spot!

Learn more about Kevin and this program at: ncsf.org Kevin Burke.

The guided hikes will only last a few hours, but there is so much more at Holmes Educational State Forest to learn about and explore on your own time! They offer hiking trails, picnic areas, and a variety of educational exhibits. Category II, III NC EE certification and CEU credit are available upon request.
