BRLC could not have accomplished our dreams and goals without caring people such as you who support our programs. We are inviting our supporters far and near to come and see what you have helped to create.

You have carved out a place in the Burnsville Community of Anson County that we call Burnsville Recreation & Learning Center. Since 1994 we have traveled this path. Each of you who joined in have placed your foot print on the grounds of this property. Your footprint to you maybe indivisible but in the eyes of the creator your mark is far beyond concrete.

You are invited to come and be in attendance with BRLC as we start to commemorate those who have once been enrolled at BRLC. Whether during Summer Food Program, Summer Fun Day Camp, Kids Café after School, Exploration Field Trips local, other countries and statewide, BRLC takes a bow to each of our long and lasting sponsors.

Our Father, the late Alfred John Louis Brewer and wife Rosa Davis Brewer desired a place for citizens to gather outside of the walls of the church. Their dreams continue to live in each of us who has contributed to this great legacy.
