From: Your Children On Mother's Day

THANK YOU MOM

Thank you Mom - for all that you have done, you took great care of us...your daughters and your son. You loved us all from the very start, with your warm, kind, and loving heart.

Thank you Mom - for all the hugs and kisses when sending us on our way, for all the prayers you prayed to keep us safe throughout our day.

Thank you Mom - for being there and never letting go, for believing in us when we were skeptics, unsure and just didn't know. For loving us through all the laughter, tears, hurt and the pain, for holding on to us so tight, during the day and sometimes through the night.

Thank you Mom - for comforting us when life caused us to fall and for smiling and gently saying 'Buddy, Renee - for Comforting and Joy....So have we all'

Thank you Mom - for telling us the truth, whether we wanted to hear it or not, for getting us straight when we were definitely out of place and for loving us anyway.

Thank you Mom - for keeping the faith and encouraging us to believe, that when you ask God for his help, he will always take the lead.

Thank you Mom - for making us the adults we are today, by teaching us to care and to love each other in a special way; to be humble when we're right and forgiving when we're wrong, for this is our inheritance and the music in our hearts.

Mom, we thought about you today, but that's nothing new. We thought about you yesterday and days before that too. We think of you in silence. We often speak your name, but all we have now are memories and your pictures all in frames.

Now, photos are all we use to see your beautiful face, we can't call you anymore or get you on the phone, and that's certainly not our choice, but we still can dial the house number anytime we miss you and need to hear your voice.

Great memories we will always cherish, and your eternal love will never part. God has you in his keeping. We have you in our hearts.

So, now we have on paper exactly how we feel. We tried to keep it simple, and very, very, real. There is so little time, we could have gone on and on. There's just too much to say, but what better occasion to express our love for you Mom, than today on Mother's Day.

Happy Mother's Day Mom!
