

Final Flight of Honor for World War II Veterans

Rotary District 7680 will send its final Flight of Honor Saturday, September 17 for World War II veterans to see the World War II Memorial in Washington, DC. World War II veterans who want to go should fill out an application and mail it immediately.

Veterans who have access to a computer may go to www.flightofhonor.org and download the application from the right side of the home page. If you don't have access to a computer, they may call Susan Nota at 704-596-6663 and she will mail applications to them.

District 7680's previous six flights have sent more than 600 World War II veterans from the 14 counties in Rotary District 7680 to Washington to see their memorial. The one-day trip is at no cost to the veterans. The flight this fall will send 120 or more veterans to D.C.

Kelly Morris, Chair of the Rotary District 7680 Flight of Honor Committee, said, "It has been a great privilege for our committee to be able to honor in this small way the men and women who served during World War II. They are truly the 'Greatest Generation' of Americans. They saved the world from domination by the Nazis, the Fascists and the Japanese Militarists.

"We want to make this final Flight of Honor the best one. Anyone who knows a World War II veteran who has not been on a Flight of Honor and wants to go, should urge the veteran to fill an application as soon as possible. Anyone who wants to contribute to help us with this final flight can mail their donation to: Rotary Flight of Honor, Post Office Box 495, Gastonia, NC 28053. Each flight costs more than \$60,000 for the chartered plane, buses for transportation in Washington, lunch, wheelchair rentals and other expenses. Contributions are deductible under the federal tax code. Additional information is on the website: www.flightofhonor.org."

Library Asks for Community's Help with Summer Program

In a release from the Hampton B. Allen Library: We need your help! The Hampton B. Allen Library is offering a Summer Reading Program for the children and teens of our community to encourage them to read for pleasure during the summer and to retain their reading skills. This year's theme is *One World, Many Stories at the Hampton B. Allen Library*.

To add to the fun and to create a sense of challenge that will keep kids engaged, we'd like to offer incentives and contest prizes at various times during the summer. Because of the limited budget we cannot afford to offer this without your help.

We appreciate any donations you care to make. Possible donations include items to give away, such as prizes, small toys, coupons for free goods or services, or cash to buy prizes to offer as a grand prize. We will mention the assistance you have generously given.

If you can help us in any way please contact Donnie Lewis or Donald Perkins at the library, 704-694-5177. Checks should be made payable to "Friends of the Library." We hope to include you in our summer plans. And, many thanks!
