## New Emergency Department Now Underway

McLeod Health is excited to announce that we have broken ground on the construction of the new Emergency Department at McLeod Health Cheraw. This expansion underscores our commitment to provide high-quality, leading-edge treatment, services and healthcare to the residents of Chesterfield, Marlboro, and surrounding counties.

The new Emergency Department is designed to allow for additional capacity based on our ever-growing population and to serve patients in an efficient and flexible way. The new, 23-bed Emergency Department will feature fully private rooms, dedicated rooms for specialized emergency needs, and the newest technology. Final completion of the new Emergency Department is scheduled for the Spring of 2018.
