

Bowman Class of 1971 to Meet June 27

The Bowman Senior High School Class of 1971 will meet on Saturday, June 27, at 1 p.m. at Ladybug Restaurant. Class members are encouraged to attend and catch up with old friends, share memories and find out what's happening with upcoming class activities. Committee members are asked to come prepared to present any information they have available for the group. Organizers are hopeful the reports will be more exciting than old report cards and considerably shorter than a 1971 school assembly. As always, plenty of conversation, laughter and a few stories that may improve with age are expected. All members of the Class of 1971 are encouraged to attend.

July Event Offers Vaccines, Physicals and Family Fun

The Anson County Health Department is bringing a little holiday cheer to the middle of summer with its upcoming "Christmas in July" Immunization Party, offering back-to-school vaccines, sports physicals and family-friendly activities all in one stop.

The event is scheduled for Thursday, July 16, from 1:00 to 5:00 p.m. at the Health Department, located at 110 Ashe Street in Wadesboro.

Designed with both health and convenience in mind, the event aims to ensure children receive required and recommended immunizations before the school year begins - helping families avoid the last-minute scramble (and those dreaded "you can't start school yet" surprises).

Students and families can take care of important back-to-school requirements, including vaccinations and sports physicals, which will be offered for \$25.

Walk-ins are welcome, and organizers promise fast and easy service.

In addition to medical services, the event will feature free school supplies, refreshments, educational resources and even photos with Santa - who appears to be swapping snow boots for flip-flops, at least for the day.

Health officials say the goal is not only to keep children healthy, but also to create a welcoming environment that connects families with valuable community resources.

To help make the event a success, the Health Department is reaching out to local businesses and community partners for support. Donations will be used to provide school supplies, snacks, goody bags and educational materials for families attending the event. Officials say contributions of any kind are welcome and will directly benefit children across the county.

Those interested in supporting the initiative or seeking more information can contact Claretta Little, Immunization Nurse, at 704-694-5188. Donations may be made to the Anson County Health Department at 110 East Ashe Street in Wadesboro.

Health Director Brian Ellerby expressed appreciation for the community's continued support, noting that efforts like this help ensure every child begins the school year healthy, prepared and ready to succeed.
