**Grace Senior Center Offering Free Fans**

Grace Senior Center is helping local residents stay safe and comfortable during the summer months through the 2026 Operation Fan Heat Relief Program.

Funded through a grant from Progress Energy, the program provides free fans to eligible Anson County residents who do not have adequate cooling in their homes.

The summer fan program is designed to create a more comfortable living environment and help reduce heat-related illnesses among individuals who do not have central air conditioning, window air conditioning units, ceiling fans or other fans that provide relief from extreme heat.

To qualify for assistance, applicants must reside in Anson County and be either 60 years of age or older or an adult living with a disability. Applicants must also have a home situation in which a threat to health and well-being exists due to excessive heat.

Program funds cannot be used for direct cash assistance or payment of utility bills. Officials encourage eligible residents who need a fan to apply as soon as possible.

For information or to request assistance, contact Grace Senior Center at 704-694-6616.

**Father's Day Celebrates Fathers and Their Lasting Influence**

**Father's Day will be celebrated on Sunday, June 21**

Father's Day is a special time to honor fathers, grandfathers, stepfathers, and other father figures who have made a positive impact on the lives of their families and communities.

The holiday began in 1910 in Spokane, Washington, after Sonora Smart Dodd sought to recognize her father, a Civil War veteran who raised six children as a single parent. More than six decades later, Father's Day became an official national observance when President Richard Nixon designated the third Sunday in June as Father's Day in 1972.

Today, families celebrate with cards, gifts, meals & most importantly, time spent together.
