**Variety Vacation Land - Plus!**

By this time, I guess all the schools have "come to a halt for the summer vacation." It's a good thing, it is so hot even a mule could not "make a whole row!" Now, for you students, it's your time off, even for a short while.

The above picture was made in 1954 as the ferry was leaving Manns Harbor - a very scenic area. North Carolina does have so much to offer, from the mountains to the coast - well except for a lot of skyscrapers, but who wants to climb up and down a "bunch of steps!" We do have historic light houses on the coast, and yes, we have been to the top of Hatteras. We went before it was moved in recent years. (I have even been to the top of the Statue of Liberty in New York - looking out from the very top, something that is no longer permitted.)

There is so much to see and do, so much to study, visit and remember. So check out some of the history that you have been studying about - but be safe, enjoy, and hurry back home...school starts back in September!!

**Taylor Short Earns Scholarship**

Taylor Short, a graduate of Anson High School, has earned a \$1,000 college scholarship recognizing her outstanding academic achievement and community involvement. The Ray Kroc scholarship was awarded from the McDonalds restaurant chain. Taylor was one of 13 McDonalds employees honored.

Taylor was honored at a reception that was held on May 26 in Concord. She was based on her leadership skills, academic success, community involvement, financial need and a personal essay describing how she intends to make a difference in society.

Taylor is from McFarlan. She will attend ITT Tech in the fall.
