

Alan Dale McRae II Earns Scholarship

Pictured above are Alan Dale McRae II (left) and Ronnie Mills, President of Anson County Farm Bureau

NC Farm Bureau was happy to announce that Alan Dale McRae II received the R. Flake Shaw scholarship. This program provides an important service to deserving youth in our state who have a desire to further their education and pursue a career path in agriculture.

A Farm Bureau spokesperson said, "North Carolina is one of the fastest growing states in the country and the future of our agriculture industry

and our organization is dependent on our investment into training and growing young leaders such as our 2019 scholarship recipients. Congratulations to all of our recipients!

Are all symptoms of Peripheral Arterial Disease (PAD)

One in every 20 Americans over the age of 50 suffers from PAD - a condition caused by plaque or fatty deposits in the arteries that limit blood flow to the legs and feet. This puts them at greater risk for heart attack, stroke and limb loss.
