The Anson County Chamber of Commerce's 5th Annual Kid Expo will be held on Saturday, August 24, from 9:00 a.m. to 12 noon. This event offers kids (grades K-12) an opportunity to create, develop and market a product or service that they are passionate about. Strictly for kids only, adults are not allowed to help sell or market the child's product or service. It takes place in the parking lot and Fellowship Hall of First Baptist Church, located on Lee Avenue and East Wade Street in Wadesboro. If their product is food, participants can decide whether to set up inside or outside.

The event is not only a showcase for the children, but an opportunity to understand the elements of owning one's own business. The kid vendors will learn and use real life skills such as math, communication, and creative thinking. Development and marketing of their product or service will have an impact on their sales at the event and offer them some insight into what it takes to own their own business.

The public is invited to come browse, shop, and stay for the awards presentation as the Chamber acknowledges Most Original Business Idea, Highest Business Potential and Best Presentation/Creativity in each age group.

Registration is open now for Anson County kids and those from surrounding counties. The deadline to register is July 19.
