I would like to first thank the voters for their support of my campaign in the 2014 Sheriff's election. I have met so many of you by going door to door, and attending many Churches. I would like to say "Thank You" for all your kind words, and your special prayers.

I would also ask those who exercised their right to support other candidates to support the mission of the Sheriff's Office. My administration will work hard to earn your trust, with the understanding that the safety of our citizens is our number one priority.

My mission has always been to improve the quality of life in all communities of Anson County for all citizens ... by preventing crime, and not just responding to crime. To ensure all employees of the Sheriff's Office recognize and respect all the citizens we serve, and to serve all citizens with integrity and equality. To gain your trust and respect so as to form a partnership with the court system, Domestic Violence, County Commissioners, and the citizens we serve, to propel the Sheriff's Office into a new era of professional service. I believe the best way for success as being your Sheriff is to truly implement a Community Policing Concept.

My Department will be guided by integrity and compassion, and will be supported by the trust of those we protect.

I look forward to working with the citizens of Anson County, and will always have your best interest at heart.
