U.S. Government Launches First One-Stop Ransomware Resource

Anson Government still recovering from early spring ransomware hack

With the risk of ransomware posing increasing risks to everything from small business to critical infrastructure and national security, federal agencies have launched a new website to combat the looming threat.

[StopRansomware.gov](https://www.StopRansomware.gov) is a one-stop hub for resources for individuals, businesses, and other organizations. This collaboration is the first joint website created to help private and public organizations mitigate their ransomware risk.

From free scanning and testing services provided by CISA to help organizations assess, identify and reduce their exposure to ransomware and other threats to a checklist for responding the ransomware attacks, the site has a wealth of critical cybersecurity resources.

Anson County – County-wide Zoning Ordinance Development (Phase 1)

Over the next year, Anson County will work to develop a draft county-wide zoning ordinance for the unincorporated areas of the County based on the recently approved comprehensive land use plan. The County will hold a series of open houses in the area (first round) for residents to provide input on what they would like to see incorporated into a zoning ordinance. A second round of open houses for zoning ordinance development is planned to occur later this year in the fall. Development of a zoning ordinance is Phase 1 of the process, with Phase 2 being the development of a companion zoning map projected to begin in the spring of 2022.

Each open house will be open to the public from 6:30pm – 8pm. Please consider attending on of the dates below at the specified locations. Each open house will include a PowerPoint overview on the purpose of a zoning ordinance and facilitated residents' feedback and input. Residents can attend one or all of the available meetings.

Date	Location	Venue & Address	Time
Thursday July 29	Polkton (West Anson)	South Piedmont Community College Raye Community Room 680 US 74 Polkton, NC 28135	6:30pm-8pm
Monday August 16	Burnsville	Burnsville Fire Department 13380 Hwy 742 North Polkton, NC 28135	6:30pm-8pm

The content and process will be the same for each open house. Feel free to attend the open house that is most convenient to you. For more information, contact Larry Newton, Tax Director/Interim Planning Director at: larry.newton@anson.nc.gov

Unauthorized Hydrant Use

The use of Anson County Water Department fire hydrants for obtaining water for agricultural or any other purpose without written consent of the Water Department is a violation of state and federal law. Hydrants are for use by written-permitted users, water company or fire department personnel only.

The Anson County Water Department will take legal action against any individual or business that unlawfully obtains water from the Anson County water system. Please report suspicious activity to the Anson County Sheriff's Office or the Water Department.

Hydrant use permit information is available from the Anson County Water Department. Information is available at 704-694-5208.
