If you have promotional items you would like to place in the Chamber of Commerce's goody bags, please contact Shelby Emrich at semrich@ansoncountychamber.org.

The Anson County Kids Expo will be held this Saturday, August 10, from 10 a.m. to 1 p.m. It is the Chamber of Commerce's new event that focuses on the next generation of entrepreneurs and business owners. The event offers kids (grades K-12) an opportunity to create, develop and market a product or service that they are passionate about.

Strictly for kids only, adults are not allowed to help sell or market the child's product or service. The event is not only a showcase for the children, but an opportunity to understand the elements of owning one's own business. The kid vendors will learn and use real life skills such as math, communication and creative thinking. Development and marketing of their product or service will have an impact on their sales at the event and offer them some insight into what it takes to own their own business.

Browse, shop and stay for the awards presentation as the Chamber acknowledges Most Original Business Idea, Highest Business Potential and Best Presentation/Creativity in each age group.

Winners will receive prizes, as well as the opportunity to promote their business through the Anson County Chamber.

This event will be held on East Wade Street, between Washington Street and Lee Avenue. If your child will need help with set-up materials such as a tent, table, chairs - please contact the Chamber office. They want every child interested in participating to be afforded this opportunity. Please let them know how they can help so your child can apply!

Applications will be vetted through a committee of Anson County Chamber business members. Approvals will be emailed.

South Piedmont Community College is the Presenting Sponsor. Community sponsorships are available now. For more information contact Shelby Emrich at semrich@ansoncountychamber.org or 704-694-4181.
