

ACS Read to Achieve Summer Camp

Each summer Anson County Schools provides students in first through third grades with a three-week summer reading camp. Student campers receive additional reading instruction through small group, camp-style lessons. These lessons are designed to be fun and interesting, and they really get our students excited about reading.

This year the camp served over 200 elementary students from across the district, and was centrally located at Wadesboro Primary School. In addition, our mentor reading program was implemented for a second year to further pique student interest in reading.

Community members were invited to read to groups of students, providing a model for good reading skills while showcasing books that can be found in school libraries across the district. More than 30 community leaders donated their time and reading abilities to our students this summer – including Anson’s county manager, Wadesboro’s town manager, local business leaders, Partnership for Children staff, Cooperative Extension staff, Wadesboro Police officers, current and retired ACS educators, several district principals, the ACS superintendent and associate superintendent, central office staff members, and members of our local Board of Education.

Over \$7,600 Raised for United Way by Anson County School District Employees!

During the 2018 United Way Campaign, Anson County School District employees raised \$7,689. Those dollars raised in Anson County stayed in Anson County.

United Way fights for the education, health and financial stability of every person in our community. Donor dollars are used to fund services for Anson County residents provided by the following agencies: American Red Cross, Anson County Domestic Violence, Anson County Partnership for Children, Boy Scouts, Central NC Council, Feed my Lambs, Girl Scouts, Hornets' Nest Council, HOLLA! and Union County Crisis Assistance Ministry.

So far school district employees have already raised over \$4,700 for the 2019 campaign through a newly implemented ePledge system. We look forward to surpassing our 2018 donations and supporting our local organizations.

Way to go Anson County Schools!

Grades K-5 Elementary Schools:
Thursday, August 8, 2019
2-6 p.m.

Anson Schools Raise Over \$27,000 for Relay for Life

The fight against cancer is something that touches everyone. We aren't just fighting one type of cancer; we're fighting for every birthday threatened by every cancer in every community.

We are extremely proud of Anson County Schools and the tireless efforts of all our students,

staff and families who worked together to raise \$27,857.76 for Anson County Relay for Life! The county raised over \$47,000 for Relay for Life.

The 2020 Relay for Life event date will be announced in the next few months. Stay tuned!
