Anson County Early College Honor Grads

District Graduation 2023. Honor Grads and Junior Marshals.

On May 31, 2023, the Anson County Board of Education had the pleasure of awarding students in the Anson County Schools Class of 2023 diplomas. Additionally, many students who earned Associate Degrees and special credentials from South Piedmont Community College were recognized for this awesome level of achievement.

Among the highlights was the privilege of honoring students for high academic accomplishments. These pictures represent all Anson County Schools Honor Graduates and Junior Marshals.

“We Are Anson.” Our pride continues to shine as we send another graduating class prepared to be productive citizens who will make a difference as they pursue higher education, additional employment credentials, the workforce, or service in the military. Congratulations students, parents, families, and community members – we are all represented among our students.
