

## Scavenger Hunt for AES Staff

Ansonville Elementary School staff participated in a scavenger hunt on their first day back on campus. Teams collaboratively worked together to scour our campus inside and out looking for various clues.

Staff were excited to participate in this event, and they are even more excited to welcome back students in the coming weeks.

We can't wait to have our students back in our classrooms as we embark on the upcoming 2021-2022 school year!

## Positive Things are Happening at Anson Middle School

The mighty Anson Middle School Bearcats will kick-off the 2021-2022 school year with a new administrative team, a new logo, and returning dedicated instructional coaches. In addition, AMS will return a number of teachers from their summer school program in efforts to continue growing students academically, socially, and emotionally. This staff is excited about the return of all their students and have been working diligently to prepare for Day One on August 23.

In addition, AMS has placed a focus on increasing parent engagement through using social media platforms such as Facebook and Instagram to keep families informed in a transparent way.

The AMS community is a great place to enroll your child because our staff truly cares about all students. We will show this love daily and demonstrate our commitment to positively impacting your scholar. So, join us as we work to carry out the meaning of our new AMS mantra:

*We will strive for excellence in all that we do.*

*There is no plateau we cannot reach, no goal we cannot accomplish because we are achievers.*

*Without struggle, there is no progress.*

*Together Bearcats, WE WILL PREVAIL!*

## LES Campus Beautification

Efforts are being made to prepare for the return of students not only in the classroom, but outside as well at Lilesville Elementary School. Staff and community volunteers are working diligently to beautiful the campus with support from Partners Lawn and Landscape, Gardenscape, and Four-A-Loader Work.

Additional work for the beautification project for the outside of campus will occur in the months ahead.
